The screenshot displays the Microsoft OneNote application interface. At the top, the ribbon includes tabs for FILE, HOME, INSERT, DRAW, HISTORY, REVIEW, and VIEW. The HOME tab is active, showing various tool groups: Clipboard (Cut, Copy, Paste, Format Painter), Basic Text (font face: Calibri Light, size: 20, bold, italic, underline, text color, background color, bullet points, numbering, indent, decrease indent, increase indent, link, unlink, text to speech), Styles (Heading 1, Heading 2), Tags (To Do (Ctrl+1), Important (Ctrl+2), Question (Ctrl+3)), and other features like To Do Tag, Find Tags, Outlook Tasks, Email Page, and Meeting Details. Below the ribbon is the navigation pane with a tree view showing 'Australasia Legal team' and several sections: 'Strategy and Plans', 'Team Meetings', 'Travel and Holidays Planner', 'Training', 'People', 'Homepage', and 'New Section 1'. A search bar is located on the right side of the navigation pane. The main content area shows a page with a date stamp 'Monday, 30 October 2017' and a time stamp '12:59 PM'. On the right side of the main content area, there is a vertical pane with an 'Add Page' button and a list of pages, including 'Untitled page'.
