Speaker Information

Speakers should arrive at least 30 minutes prior to their presentation time. Please check in at the registration desk upon arrival to obtain a name badge.

Each presentation is scheduled for sixty minutes. It is important to keep presentations within the time limit.

ACC Greater Philadelphia will provide a projector and screen for Power Point presentations. We also provide microphones for speakers. Speakers should bring their own laptops with the presentation pre-loaded as well as a backup copy on a flash drive. Panels should be a maximum of four people only and diversity on the panel is appreciated. Each room is set up with a panel table in the front of the room on a riser with a podium and microphone. Any other AV needs must be brought to the attention of the Chapter Administrator as soon as possible (i.e. if your presentation includes video clips, needs sound etc.). If you need anything out of the ordinary, we need to know as soon as possible. If using a MAC, you need to bring your own Adapter as they are not provided. Either VGA or HDMI.

Presentations must be approved well IN ADVANCE of the Conference by a committee chair and provided electronically to the Chapter Administrator for posting on mobile app and the ACC Greater Philadelphia website following the conference.

Power Point presentations should be formatted using the ACC Greater Philadelphia's template in wide screen format. Please contact a Practice Committee Co-Chair or Chapter Administrator if you need the template.

Please ensure font sizes on Power Points are easily legible from a distance. Room sizes vary and will be assigned based on pre-registration attendance. Please be aware of the size of your room and speak loud and clear INTO the microphone to be heard in the back of the room.

ACCGP will handle all CLE course approvals and attendee CLE credit submissions for PA and DE. NJ is reciprocal self-reporting.

***Important Note:** The IHCC is paperless again this year and utilizing a mobile app. We will be communicating to members in advance of the conference that no hard copies of any handouts/presentations will be provided at the conference. Instead, ACC Greater Philadelphia members will be able to access all course materials on their various mobile devices via the mobile app or download and print the materials ahead of time through the ACC Greater Philadelphia website. Therefore, sponsors will NOT be required to bring any printed copies of their course materials this year.

Speakers are invited to attend all or part of the conference. Please see previous information on registering.

Exhibitor Information

Exhibitors will be provided with one six-foot table and two chairs. No more than two representatives from each sponsor may attend as exhibitors. Please try to ensure tables are attended throughout the day.

Marketing materials and give-aways may be distributed to conference attendees. If exhibitors wish to ship materials in advance, please follow the instructions below. We expect approximately 500 attendees this year, so please plan on ordering enough items (approximately 600-750).

Your firm name **MUST** be marked clearly on the outside of all boxes/items, so that we know where to put them. Materials must be received between April 10 – 14, 2023 by SBSC (no earlier, no later).

Ship to:

Chris Springfield
(HOLD FOR ACCGP – IHCC)
SBSC
122 E. Kings Hwy., Suite 504
Maple Shade, NJ 08052
Phone: 856-234-8059

Exhibitors not shipping materials or who wish to bring a table display or marketing materials on the evening before (April 19th) or the morning of the conference may do so. You must use the doors on 13th Street. You may pull up, put your flashers on, unload and then go park. Set-up on April 19th is between the hours of 4:00-6:00 p.m. (Overnight security will be provided) and the morning of April 20th from 6:30-7:30 a.m.

Breakdown is immediately following the cocktail reception and it's the sole responsibility of the sponsor/vendor to make all arrangements for such. There is a FedEx office on the 2nd floor for shipping materials OUT. They will not accept shipments IN!

Exhibitors are welcome (and encouraged) to hold a drawing or raffle for a prize. Business cards from members may be collected for this purpose. All drawings will be held during the cocktail reception at the end of the day and winners must be present to win. Sponsors will be called up to the microphone to draw the winning card and prize must be presented at that time.
