## Faculty Biographies

### **Ronald Denton**

Ronald R. Denton is the business services manager for ConocoPhillips in Houston Texas. Mr. Denton has been with the company in a variety of management and supervisory positions within information technology and the legal department. His current responsibilities include management of all operations, administrative and support functions for ConocoPhillips' internal legal department including litigation support/electronic discovery, intake of service of process, law firm relationship management, legal finance, information technology, facilities, business processes, records and support staff.

Prior to the merger into ConocoPhillips, Mr. Denton was business manager for Phillips Petroleum's legal department. He also managed Phillips legal internal litigation support department. Prior to joining the legal department he held various supervisory and managerial positions within Phillip Petroleum's information technology organization. He has years of experience in corporate law department management and in managing in-house corporate discovery processes and workflow.

He is active in a variety of organizations supporting corporate discovery and the management of corporate legal departments.

Mr. Denton received a BA from Southwestern College.

### **Brian Kenny, Esq.**

Brian A. Kenny is the chief operating officer of legal group operations for Marsh & McLennan Companies, Inc. He is responsible for providing operational support to MMC's legal, risk management, government relations and executive services functions.

In past years with MMC, Mr. Kenny has served in several corporate functions, including audit & control, treasury and executive compensation.

Mr. Kenny received a BS from Manhattan College, an MBA from Fordham University and is a graduate of St. John's University of School of Law. He is also a Certified Internal Auditor and a Certified Information Systems Auditor.

### **D. Mark Poag**

D. Mark Poag, DataCert's senior vice president and general counsel, joined the company following its acquisition of DigiContract and brought with him a history of proven entrepreneurial excellence and legal expertise. He is responsible for managing all legal matters and negotiating service and license agreements with DataCert customers. Additionally, he oversees human resources programs and initiatives.

Prior to joining DataCert, Mr. Poag served as president and CEO of DigiContract, an online document collaboration provider which he founded. His duties included raising equity funding, recruiting employees and directing business development efforts.

In 2006, ACC and the Houston Business Journal recognized Mr. Poag's achievement in the field of corporate law by naming him the 2006 Outstanding Solo Corporate Counsel.

Mr. Poag earned a bachelor's degree from Princeton University and graduated cum laude from Tulane University School of Law with a JD. He graduated magna cum laude from the A.B. Freeman School of Business at Tulane University where he received his MBA.

### **Kenneth Vermilion**

Kenneth L. Vermilion is senior director legal department operations and finance for Wal-Mart Stores, Inc. located in Bentonville, AR. His scope of responsibilities includes managing the selection, deployment, and use of various legal department specific software and technology platforms, managing long term financial planning as well as the annual budget processes, monthly forecasting financial closing processes and management reporting and metrics, plus specific project work as directed by the EVP and general counsel.

Before he joined Walmart's legal department, Mr. Vermilion worked in various financial and treasury management capacities for Sears, Roebuck and Co., before serving Sears' EVP and general counsel as their first director of legal department operations.

Mr. Vermilion earned a bachelor's degree from Northern Illinois University and has benefited from participating in executive level MBA programs at Northwestern University, Duke, and MIT.

### Why is Business Intelligence Important?

---

---

---

---

---

---

---

---

### Value of Quality Business Intelligence

**Financial Benefits**

- Conduct trend analysis to identify areas for cost savings
- Benchmark rates to inform annual rate reviews
- Identify opportunities for AFAs
- Evaluate their effectiveness
- Improve budget management
- Enhance forecasting capabilities

**Strategic Benefits**

- Evaluate firm performance to inform future sourcing decisions

### A Day in the Life Example

- Warren, an AGC needs a report that shows the inside and outside costs of a matter plus the exposure and reserve amount.
- He gets frustrated because the data he needs is in three different systems.
- He delegates the compilation of data and creation of the report to Jennifer, a paralegal in the department.
- Jennifer has a hard time getting the data she needs, and ultimately ends up escalating this to the Legal Operations Manager, Susan.

### Process Improvements

- MMC
  - Ensure that a process is in place to validate the information in your systems
  - Use automation to avoid strings of emails
- ConocoPhillips
  - Strategy and budget should be owned wholly by in-house counsel
  - Focus on case cycle time to better understand what is driving costs
- Walmart
  - Have rigorous nomenclature in place
  - Use historical information to lend perspective
  - Don't continuously recreate the wheel

---

---

---

---

---

---

---

---

### Innovation – Technology Platform

- Simplify the Way Your Lawyers Work
- Framework for True Collaboration
- Improve Compliance & Risk Management
- Reduce Total Cost of Ownership
- Evolve to Support Your Business
- Improve the Way Your Systems Interface

---

---

---

---

---

---

---

---

### Technology Improvements

- ConocoPhillips
  - Configure applications specific to your business needs using a technology platform
- Walmart
  - Focus on ease of use, promoting better data entry and better analytics
- MMC
  - Upgrade technology to empower users

---

---

---

---

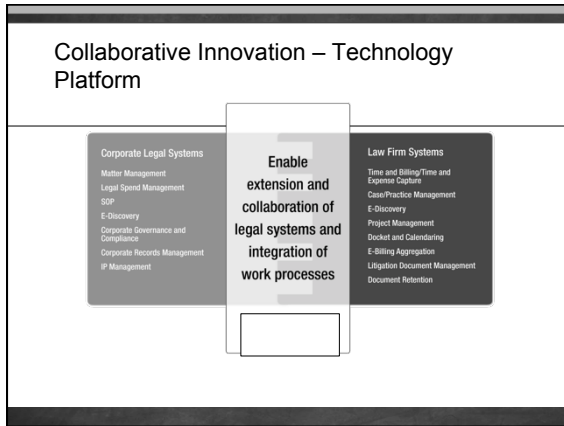

---

---

---

---

---

---

---

---

---

---

---

---

### How do you make collaborative technology work?

- How would effective collaboration improve business intelligence and the reports you produce?
- Should Outside Counsel be allowed into your internal systems to enter data or view reports?
- Where does project management fit into the collaboration discussion and what data should you be capturing in preparation for implementing project management processes?
